*Kiwanis is a global organization of members dedicated to serving the children of the world. In Springfield, our Club's primary focus is our Kiwanis Shoe Buddy Shoe Bank through which we purchase new tennis shoes and then personally fit those shoes on eligible public school students. Our Club also provides college/trade school scholarships to local high school graduates, supports local non-profits that benefit children, provides fun opportunities to at-risk children, and much more. We are a group of volunteers dedicated to improving the world one child and one community at a time.*
